**Commissioner of Patents and Trad marks**

The informal drawings are not of sufficient quality to permit examination. Accordingly, new drawings are required in reply to this Office action.

Applicant is given a TWO MONTH time period to submit new drawings in compliance with 37 CFR 1.81. Extensions of time may be obtained under the provisions of 37 CFR 1.136(a). Failure to timely submit new drawings will result in **ABANDONMENT** of the application.

A brief voice mail message was left for Mr Degenholtz on 11/15/01, indicating that the poor Quality of the drawings made the understanding of the invention very difficult.

In response to this action applicant is urged to identify each and every element of the claims with reference to the drawings, with numerals in parentheses. Such numerals will aid in more easily "following" the claims and will help in avoiding "mistakes" but will not in any way limit the scopes of the claims.

On page 1, line 2, is "60/164,079" correct??
